

Meet Hyman Blackwell

Hyman Blackwell was born in Charlotte, North Carolina and has lived in Lancaster County for the last 29 years. Hyman earned his B.S. Degree in Business Administration from Indiana University of PA.

His work experience includes Human Resources and Operations management, corporate production planning and retail operations. Hyman was formerly VP of Communications for the American Marketing Association and has also earned his Green Belt Certification in Six Sigma.

Hyman, what else would you like your clients to know about you?

I am married to my wife, Lori, for 16 years. We have 3 children, 2 grandsons and a grandchild due in November 2008!

How do you like to spend your free time?

I enjoy playing golf, vacationing in Mexico, and learning about the history of the Civil War, Vietnam and WWII. I also volunteer for Muscular Dystrophy, Leukemia Society, Boys & Girls Club, Cancer Society and the Diabetes Association. My passion is spending time with my grandchildren.

What was your childhood dream?

I wanted to become a professional baseball player.

What is your proudest accomplishment?

The birth of my son.

Ok, tell us something most people don't know about you?

I LOVE TO COOK!

What has been your most significant learning experience?

Obtaining the Six Sigma Certification. The experience really expanded my skill level, pushed me to think creatively and helped me accomplish more than I could ever imagine.

Why did you decide to join the NTI Group?

It is important to me that the relationships I have with my clients are a win-win situation. NTI provided me the opportunity to build a career around that principle.

What is the best comment a client gave you about your services?

Clients have complimented me on how I communicate with them consistently (something clients didn't receive from their previous agent) and the cost savings they have incurred with me as their insurance consultant.
